A LEGACY OPPORTUNITY

During the past year God has been at work in His church at New Hope. Our mission to **worship** Christ, **serve** others, **share** the Gospel, and **disciple** believers in this and in future generations is the big-picture mission of NHBC. We have experienced a fresh touch of the Lord during this transitional process and sense He has given a clear path forward.

That is why the Hope for Generations campaign is being launched this month at New Hope. We are positioning to eliminate debt which will release thousands of dollars to invest in ministries enabling us to fulfill God's mission. We have been and will continue to repurpose space throughout our campus to serve children, students, and families of the present and emerging generations. He is giving us a new heart and hope to live out the gospel locally, regionally, globally, and **generationally!**

These are exciting days to be a part of what God is doing at New Hope Baptist Church.

40 DAYS OF PRAYER & HUBS

Each **Wednesday at 6:00 PM**, we will prayer walk around our campus, during Prayer Hub.

Also, beginning **Tuesday, February 6**, you will receive a daily email from a member of our church's Prayer Team. Each email will have a specific prayer prompt and scripture designed to tune our hearts to the heart of God.

IF YOU DO NOT CURRENTLY RECEIVE EMAILS FROM US AND WOULD LIKE TO, PLEASE SIGN UP AT THE BOTTOM OF THE CHURCH'S WEBSITE: NHBCPC.COM

VISION GATHERINGS

On Sunday, February 18, we will host the first of our free Vision Gathering luncheon following Morning Worship. There will be another Vision Gathering on the following Wednesday, February 21, at 6PM that will include a complimentary meal as well. Pastor Bob will share the vision and goals of the Hope for Generations Campaign. You will also have the opportunity to ask questions and offer input. No commitments will be asked for at these vision gatherings. This will be an exciting time to see and celebrate what God is doing at NHBC! **Registration for these events ends February 16.**
