

## LOOK WHAT GOD HAS DONE!

*"All the offering was received for the work of service..." Exodus 36:3*

God has been leading New Hope through the past months to give a special offering to pursue our mission of **WORSHIPPING God, SERVING others, SHARING the Gospel, and DISCIPLING believers** in the current, emerging, and future generations. The Hope for Generations Campaign is our church wide response to go with God, joining Him where He is at work around us. The current HFG pledges total . . .

**\$439, 759.92!**

## HFG TESTIMONIALS

"I can't wait to tell the future generations of how God is moving at this current time at New Hope (Psalm 78:4). I am thankful and humbled by our church's response to the *Hope for Generations* campaign. I am eager to continue to do Kingdom work with my New Hope family as we seek where God leads us. Thank you, church family, for helping me to grow in the Lord and for helping Danielle and I raise our children under God's authority. I am excited to be a part of this body of believers!"

-Matthew Pope

"I spent the first several years of my motherhood journey praying for a church who would care as deeply as I do about the spiritual growth of my children. God answered my prayers in this church—in you. *Hope for Generations* wasn't just a campaign for me; it was proof of the heart of our church to reach the generations, to reach my children. It was evidence to me of a church who is committed to the Lord and to His Gospel. I am grateful."

-Taylor Funderburg

## MORE THAN A CAMPAIGN

This has been a season of unparalleled devotion to experience a continuing love relationship with God that is real, both personally and as a church family. Our focus has been to know the heart of God and to align our hearts to His purposes. We have been experiencing God at New Hope!

## HALLELUJAH & THANK YOU, CHURCH!

I praise God for His goodness and grace. I praise God for the sacrificial giving of our church family to know His ways and to be on mission with Him. Indeed, New Hope has *"excelled in the grace of giving"* (2 Cor. 8:7). I'm proud of you, church family!

-Dr. Bob
