Remember the Five Functions of Healthy church? 1. Evangelism. 2. Discipleship. 3. Fellowship. 4. Ministry. 5. Worship. Review the July calendar and you will see that we are just as focused on the Five Functions as any other time of the year. That's always exciting!

Be in on Wednesday, July 2 as we fellowship meal together at 5:30. The Master Site Development Team will provide us a potential next step for making our facilities even more ministry and mission focus. Let's talk and pray about it.

VBS, Student Mission Fuge are over, but Kids Camp is here! Pray for our kids as they hear and grow in the gospel. Check out the Student ministry events in July! We are building fellowship among our teens as they grow in their life and love for Christ.

Summer Wednesday Nights! The format has changed but the goal is the same. Disciple Up at New Hope for ALL ages! ALL-IN Worship and Groups for every age. What an opportunity! It's good stuff!

Pray for the Pastor Search Team. They are hard at work and making good progress.
